

## Coaching

In addition to his regularly scheduled seminars which are available to the general public, Ray LeBov offers private coaching to individuals or small groups. (One to One or One to Few).

Private coaching is available for those who seek intensive training in the art of lobbying. Through coaching from Ray you can benefit from his 30+ years in and around the state capitol whether or not you have taken Ray's Lobbying 101 and 201 seminars.
